DESTINATION IMAGINATION

You are invited to a Destination Imagination Fun Night on April 30 from 7:00 to 8:30 PM! The elementary D.I. team is getting ready to head to the Global Finals competition in May. The team will be performing in the Old Gym, a performance which takes a look at homelessness and robotic technology, and showcases the work and talents of the team. The performance will be followed by a visit from special guest Paul Thomas from "His Soup" and a presentation of Bibles from the Gideons. **Come and try your hand at a *DI Instant Challenge* and roast s'mores over a barrel campfire.** (S'mores will be by donation.) Following the fun night the team will experience first hand what it is like to spend a night without a home, and as a team they will be assembling care packages for the homeless to be distributed by Valley homeless shelters and drop-in centers.

ELEMENTARY PROGRAM

ALL ABOARD! This announcement is for all persons sailing with the S.S. Good News Cruise (aka--MCS Elementary Spring Program). Join us as Lostin Leftfield, the new cruise director, tries to make sense of why the current passengers, a cruise ship full of young Christian people on their way to a mission trip, seem different than the usual groups.

The program will be held Monday, May 3, at 7:00 pm. K-5 students will be involved, and we need the students to wear "cruise attire"—shorts, t-shirts, polos, Hawaiian leis, sporty dresses, etc. No hats or sunglasses, please; we still want to see everyone's smiling face!

BOXTOPS

Thank you for sending your boxtops to school. We are starting a new boxtops challenge. Our goal is to receive boxtops from every state in the US. Please ask your friends and family to send you their boxtops. We want to expand our collections to maximize our rewards. Thanks!
