CREATION SEMINAR

On Friday, April 16, the middle school will be attending the creation seminar at Heritage Christian School. The students will be leaving at about noon and will return before school lets out. This seminar is a great opportunity to expand on the science curriculum while educating our students about other ideas that are being taught in our world.

THANK YOU!

To the Student Council and Students of MCS: we sincerely thank you for organizing a fund raiser for our family. It meant so much to us. We appreciate all of you who ate pizza to support us. We have been truly blessed by your kindness. Being part of a Christian community has shown us how amazing God is. Lastly, thank you for all your prayers! You have all impacted our lives deeply!!

Sincerely, the Van Dykens—Crystal, Shad, Grant, Shayla, Hailey & Isaac

ELEMENTARY PROGRAM

ALL ABOARD! This announcement is for all persons sailing with the S.S. Good News Cruise (aka--MCS Elementary Spring Program). Join us as Lostin Leftfield, the new cruise director, tries to make sense of why the current passengers, a cruise ship full of young Christian people on their way to a mission trip, seem different than the usual groups.

VERY IMPORTANT! Due to scheduling conflicts, we are moving the program to Monday, May 3, at 7:00 pm. K-5 will be involved, and we need the students to wear "cruise attire." We are thinking summer, so shorts, t-shirts, polos, Hawaiian leis, sporty dresses, etc. can be worn. No hats or sunglasses, please; we still want to see everyone's smiling face (including the people standing behind us)!

SENIOR PROJECT BOARDS

We are looking for people to serve as judges for the Senior Project Boards to be held on Monday, May

10th. The day is broken up into 45-minute time segments, beginning at 8:30 AM and ending by 4:00 PM. There will be a short training session in the morning and lunch will be provided. Previous judges will tell you this is a very rewarding experience as you have the privilege of seeing all the hard work students have put into their projects. If you are interested, please call John Quirk at school, 282-7261, or email him: jquirk@manhattanchristian.org.
