

Countries resources:

Try these websites:

<http://www.vgsbooks.com/> - photos, maps, flags, history, government, culture, economy, how to write reports, teacher resources

<http://www.bozemanlibrary.org/> - Bozeman Library – click on Reference & Research / InfoTrac and type in your library card number or the following password: 23773000138441. This is a magazine article database and contains images and maps.

From home this is the address, from school just click on the icon on library computers.
