Welcome to the 64th Annual MCS Harvest Festival

Autumn is here, and with it comes one of our favorite days of the year. Welcome to the 64th Manhattan Christian Harvest Festival! Colossians 3:23 says, "Whatever you do, work at it with all your heart, as working for the Lord." That spirit of wholehearted service is what has made this day possible year after year.

Since 1962, this festival has been a place where our school community comes together.

Every game played, every meal shared, and every bid placed supports Christian education at MCS and the students who benefit from it. Your generosity, whether of time, talent, or resources, is a living picture of God's goodness.

The Harvest Festival is meant to be enjoyed. Let the kids run from game to game, grab something delicious with your family, and browse the Harvest Market for a treasure to take home. Help support the auctions, catch up with neighbors, and make a few new friends along the way!

*** Designates that the item includes a gift card that is to be picked up from the office during checkout.
Updates are made daily. Catalog is subject to change through 10/24/2026

Live Auction
