

Spring Sports Are Approaching at Manhattan Christian!!

Spring sports are quickly approaching once again at Manhattan Christian and we are looking forward to the opportunities that will be available for our athletes and coaches. While the schedules are still very much a work in progress, as is often the case with spring sports, they are slowly beginning to take shape. All spring sports participants must have a physical form, concussion form, and Medical Release/Handbook form on file and uploaded to DragonFly before participating in any practices. A link to these forms and instructions for DragonFly are included [here](#). If possible, please try filling out or uploading the forms directly to DragonFly. Please read below for more information on the upcoming Spring sports season.
